Chairperson's Message

Dear Friends:

On behalf of our Executives and Board members, I proudly welcome you all to the West Island Black Community Associations ("WIBCA") 36th Anniversary Fundraiser Banquet.

"Together We Are Stronger" is the theme for this year's event and rightfully appropriate to reflect on an African proverb; **"If you want to go fast go alone. If you want to go far go together"**.

Community togetherness is crucial for the survival of a non-profit organization such as WIBCA. Having said that, it is important to point out that collectively we are powerful as an organization when we choose to empower each other despite our differences. Equally important to acknowledge is that each of you have a significant impact on the success of this great organization with your individual contributions. Retaining a variety of Board and Committee members is also essential to the success of this great organization. The new leadership and constant guidance from our elders is vital to ensure WIBCA continues to move forward and remain relevant within the community.

As WIBCA's 15th Chairperson serving in the second year of my term, it continues to be a great honor and privilege for me to serve the wonderful people of the West Island community. I am excited and encouraged about the progress we have made in terms of further highlighting WIBCA for the great organization it is and rebuilding the Board solicitation new team members, which not only brings professionalism to our organization, but diversity in terms of ideas, strategies and community concepts. Above all, WIBCA continues to empower our children, youth and seniors in our community through effective educational programs/funding, services, group activities and informational sessions.

In addition to the above, collaborating with other community organizations and non-profits also continues to be a priority, as working collectively feeds the betterment of our societies which we serve.

We continue to strive to achieve new milestones to enable our reach in the community but none of this would be possible without the proceeds generated through events such as this banquet. We are also grateful and blessed for the generous donations we have received from individuals and organizations, annual monetary support from The West Island Blues Festival, governmental grants, continuous financial contributions from our Members of the National Assembly and Members of Parliament, Committee driven fundraising events and most importantly, our volunteers who choose to give back.

I would like to thank everyone for making our 36th Anniversary Banquet a success and trust you will enjoy the evening.

#WIBCAFOREVER

MASTER OF CEREMONIES

Pat Dillon-Moore

Patricia "Pat" Dillon-Moore has led one of the most interesting professional lives this side of the Atlantic. Diversely experienced, with a repertoire of skills that includes writing and performance, Pat Dillon-Moore is a shining example of passion, prowess and personality.

She has carried a film (1986's *Sitting in Limbo*, directed by John N. Smith); racked up notable theatre credits through the Black Theatre Workshop; founded a company (Black Arts Production); co-founded another (Amanda Jackson Communications); written and acted out a humorous and satirical monologue series (*Clemmie Is Mi Frien'*); and, in 1990, was appointed as a radio station manager of CKUT 90.3, the first Black woman to do so in Quebec.

In her long-held position as a publicist for the National Film Board of Canada, she has inspired a great deal of admiration, and has even been hailed as one of the geniuses in the field by esteemed writer Christopher Moore.

Hymne National - National Anthem

O Canada!
Terre de nos aïeux,
Ton front est ceint de fleurons glorieux.
Car ton bras sait porter l'épée,
Il sait porter la croix.
Ton histoire est une épopée,
Des plus brillants exploits.
Et ta valeur, de foi trempée,
Protégera nos foyers et nos droits.
Protégera nos foyers et nos droits.

O Canada!

Our home and native land!
True patriot love in all thy sons command.
With glowing hearts we see thee rise,
The True North strong and free!
From far and wide,
O Canada, we stand on guard for thee.
God keep our land glorious and free!
O Canada, we stand on guard for thee.
O Canada, we stand on guard for thee.

SCHOLARSHIP WINNERS 2018

Joshua Hoyte

Over the course of the sixteen-month Automobile Mechanics at West Island Career Center, Joshua grew into the role of mentor to many other students in the program. He was never too busy to stay and help fellow students who were struggling in class, and always with a laugh and a smile. Joshua is determined to be a licensed auto mechanic in 2 ½ years.

Chantay Rose

As of fall 2018, Chantay Rose will be attending her first year at John Abbott College as an Information and Library Technology student. “My interest in this program was confirmed as I experience and enjoyed student for a day in the Information and Library Technology program. Absorbing what I was being taught in class, tackling worksheets with the students and speaking to them about the program are experiences that have given me confidence that my interest and skills will flourish in this program”.

Chantay is committed to volunteering in the community and has revealed herself to be conscientious, resilient, committed and a determined individual, while showcasing her pleasing personality.

Nyeesha Mitchell Blair

Nyeesha has completed her D.E.C in Child Studies at Dawson College and will continue her studies in Child Studies at Concordia University. “My goals during my studies would be to continue volunteering in my community while applying the various tools/knowledge learned in school to my day to day life and interaction with the youths. I also plan to obtain a B.A. in Child Studies during my schooling at Concordia, which will enable me to work in a variety of child-oriented settings. I may also follow up with pursuing a Social Worker career which will involve continuing my education at McGill University”.

SCHOLARSHIP WINNERS 2018

Celiciah Durant

Celiciah graduated from Vanier College with a degree in Commerce and is now attending Concordia University in Economics. “I would like to pursue a degree in Business Technology Management because this field incorporates Finance and Technology, which are two topics that interest me greatly. I realized my interest for business during my time at Vanier College. It made me realize that I want to be an entrepreneur. I want to be able to start my own business one day and to be able to use the resources of my company, in order to help others.

Amara Ngadi

Amara graduated from John Abbott College from Social Science with Math Program and is now attending Concordia University to attain her degree in Commerce and Finance. Amara’s career objective is to become a Financial Analyst.

As a Nigerian-Canadian, it’s important to Amara to give back to her community and the community at large. She volunteers tirelessly and is always willing to lend a helping hand.

As a result of these awards, Joshua, Chantay, Nyeesha, Celiciah and Amara have been included in the list of students under the West Island Black Community Association Mentorship Program. This program is administered by the Education Committee.

PROFILE OF THE ASSOCIATION

The West Island Black Community Association (WIBCA) is a chartered, non-profit community organization that was founded in 1982 by Margaret Jolly and Norma Husbands (now deceased) to respond to the needs of the community. At the time of its founding, the programs were centered mainly on youth development in the form of sports and life skills.

The major objective then, as it is today, was to help our young people achieve their highest potentials. All Board members are volunteers who accept the Association's objective of serving the communities of the West Island and surrounding areas. Membership is, and always has been, open to anyone who shares our aims and objectives. Services are provided to all, regardless of ethnic origin, gender, religion or race.

Special emphasis is placed on the education of youth and adults. WIBCA offers Saturday Morning Tutorials, Home Work Assistance Programs at both Elementary and High School levels, and a Summer Day Camp. It also conducts workshops, presents lectures and discussions on topics such as: Health, Security, Parenting Skills and Financial Management.

WIBCA's Scholarship Program supports outstanding High School and College (CEGEP) graduates as they seek to further their education. The program has been expanded to include students in both Adult Education and Vocational Institutions.

Francis SCARPALEGGIA

*Member of Parliament for Lac-Saint-Louis
Député de Lac-Saint-Louis*

I would like to offer my most sincere congratulations to the West Island Black Community Association for 36 years of active contribution to West Island life.

WIBCA has been exemplary in contributing to the spirit of community we enjoy on the West Island, which draws much of its strength from its diversity.

As Member of Parliament for Lac-Saint-Louis, it is always an honour and a pleasure to participate in WIBCA's activities and to each year develop new friendships with WIBCA members.

I wish WIBCA a very successful 36th Anniversary Banquet!

Sincerely,

Je désire féliciter sincèrement l'Association de la communauté noire de l'Ouest-de-l'Île de l'apport important qu'elle fait depuis 36 ans à la collectivité de l'Ouest-de-l'Île.

En effet, l'Association de la communauté noire de l'Ouest-de-l'Île contribue de façon exemplaire à l'esprit communautaire de notre collectivité dont la force émane de sa diversité.

En tant que député de Lac-Saint-Louis, je suis toujours honoré et heureux de participer aux activités de l'Association de la communauté noire de l'Ouest-de-l'Île et de nouer chaque année d'autres liens d'amitié avec les membres de votre association.

Bon succès au banquet d'anniversaire organisé pour souligner ces 36 années de présence dans notre collectivité !

Cordialement,
